

With the

SPACE SAVER

COMPACT WATER HEATER,
you can take advantage of
dependable hot water anywhere!

From home to office, garage to cottage or wet bar to pool house, the GSW **SpaceSaver** offers the power and flexibility that puts hot water right where you need it.

Additional applications include:

- Apartment
- Medical Office
- Hair Salon
- Mobile Home
- RV or Trailer
- Gas Station
- Hand Washing Station
- . . . and many more

*The **SpaceSaver** water heater, with wall-hanging capability, is also easy and ready to install!* Complete with a temperature and pressure relief valve, the unit plugs into any standard outlet.

With its 18.2"H x 11.4"W x 11.4"D size and 10-litre capacity, this powerful yet compact water heater fits almost anywhere and meets hundreds of low-use needs.
